# CLICS

## Continuous Learning in International Collaborative Studies (CLICS)

- learning in international partnerships unencumbered by language barriers, distances and life style.

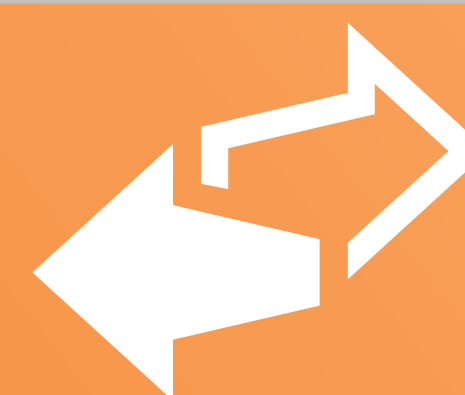

### CLICS MOOCs

- development of three international Massive Open Online Courses

### CLICS Exchange

- exchange of students, researchers and staff

### CLICS Distinguished Lectures

- sharing the scientific know-how

### CLICS Summer Schools

- achieving strong research collaboration and significant results

The Thematic Network CLICS  
receives funding from the German  
Academic Exchange Service
